

Family Matters

Hey Parents! Would you like to have a successful home? Would you like your children to be successful in life? Would you like for your child(ren) to succeed in the ways that really matter? Would you like your children to be a testimony to others of the love of Christ? Would you like your home to be strong and your family bond to be unbreakable? Well, God wants that, also! Family is the glue that holds society together. Society is no stronger than the family! God has given us the blueprint for a strong and successful family in His Word. Throughout the month of March we will be sharing that blueprint by preaching and teaching on the Ten Commandments and other scriptures that deal with family issues. The Bible has much to say about husband and wife relationships, the relationships between parents and children, and child to child relationships. These relationships are vital to creating and maintaining a strong and vibrant family. Join us during the month of March as we see what God has to say to the family!
