

New Sunday School Program Rollout

Grow students

Our youth pastor, Brother Bob Creech, has announced a new Sunday School curriculum for our students which will begin in August. He recently met with the volunteer teams of teachers and workers to explain the new concept. They are all very excited about the opportunities the new strategy will provide.

“The Grow Curriculum” will allow them to partner with parents in helping the students to grow spiritually at church and at home. Parents will receive videos and emails which will explain what their children will be studying and provide opportunities for discussions at home. Please pray for our teachers, workers, parents, and students as they begin this exciting new concept.

If you would like more information or to participate as Sunday School leader, please contact Bob Creech at bcreech@nevilstrinity.org or 912-839-2599.

Fall Bible Study: *Breathe* by Priscilla Shirer

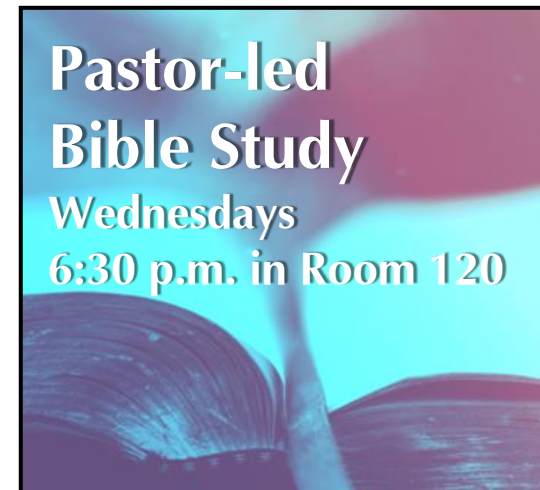

Wednesday Nights beginning

September 14 through October 19 from 6:30 until 8 p.m. One of the greatest challenges among women in our culture is taking time to cease from all the activities and just breathe. We are in bondage to busyness. We constantly strive to complete the limitless to-do lists that hinder us from experiencing all that God has for us. By neglecting time for tranquility, serenity, and repose, we limit our Christlikeness and miss out on some of God's greatest gifts. If you are weary, worn out, and exhausted, then the concept of Sabbath will change your life. **Contact Angela**
